Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Consolidated Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Future Consumer Limited

1. We have reviewed the accompanying Statement of Unaudited Consolidated Financial Results of Future Consumer Limited (the "Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associate and joint ventures for the quarter ended September 30, 2020 and year to date from April 01, 2020 to September 30, 2020 (the "Statement") attached herewith, being submitted by the Holding Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Holding Company's Management and approved by the Holding Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the Circular No. CIR/CFD/CMD1/44/2019 dated March 29, 2019 issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities as detailed in Annexure 1.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above and based on the consideration of the review reports of other auditors referred to in paragraph 7 below, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013, as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

8 The COVID pandemic is unprecedented and the Group has experienced its adverse impact. The Group has faced issues in supply chain, warehousing, packing centres, administrative offices, etc. which has impacted its ability to be consistent with supplies and sales and which in turn has also impacted liquidity position of the Group. While the Group continues to work very closely with all the stakeholders, the situation continues to be still evolving.

The Group has incurred loss before tax during the six-month ended September 30, 2020 primarily owing to the lower volumes, finance costs, depreciation and ECL provision. The Group has a positive net worth of Rs. 84,082.41 lakhs, a net current asset position of Rs. 41,751.48 lakhs and outstanding borrowings of Rs. 62,564.47 lakhs (including short term borrowing of Rs. 33,877.86 lakhs) as at September 30, 2020, out of which Rs. 8,924.81 lakhs (excluding short term loan) is due for repayment in next one year. Further, the Group has defaulted in repayment of principal instalment on Non-Convertible Debentures of Rs. 2,000 lakhs, Term Loan of Rs. 664.18 lakhs and working capital demand loan of Rs. 7,500 lakhs, along with interest of Rs. 305.97 lakhs which was due during the quarter ended September 30, 2020. The Group is adopting several cost reductions measures to address the liquidity crunch to maintain sufficient operational cash flows. The Group has sought deferment period for repayment of loans and interest from lenders and is also in discussions with lenders for restructuring of loans.

Further, in light of the of the ongoing economic scenario and downgrade in credit ratings of our major customers, the Group has recorded an additional provision of Rs. 4,746.73 lakhs on Trade and Other Receivables which is included in other expenses for the quarter and period ended September 2020. Also, due to Covid-19 pandemic and resulting lockdowns, one of the Company's major customers has invoked force majeure clause and claimed losses on inventory due to expiry / deterioration in quality of the goods as either the stores were closed or experiencing very low footfalls. Pursuant to the same, the Group has recognised a loss of Rs.3,558.80 lakhs which is included in exceptional items for the quarter and period ended September 30, 2020.

The Group, as at the date of approval of these financial results, has relied on available internal and external sources of information and indicators of economic forecasts, including the impact of Covid-19 while assessing the carrying amounts of current and non-current assets and its repayment obligations on a timely basis up to the date of approval of these financial results. However, the future impact of the global health pandemic and other events may be different from that estimated as at the date of approval of these financial results and the Group will continue to closely monitor any material changes to future economic conditions.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

Review Report to
The Board of Directors
Future Consumer Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results of Future Consumer Limited (the "Company") for the quarter ended September 30, 2020 and year to date from April 01, 2020 to September 30, 2020 (the "Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standards ('Ind AS') specified under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Independent Auditor's Review Report on the Quarterly and Year to Date Unaudited Standalone Financial Results of the Company Pursuant to the Regulation 33 and 52 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

5. Emphasis of Matter

We draw attention to Note 8 of the Statement, which describes the uncertainties and the impact of COVID -19 pandemic on the Company's operations and recoverability of assets. The estimates as at the date of approval of these financial results may differ based on the ongoing impact of the pandemic, improvement in the economy and the business of the Company. Our conclusion is not modified in respect of this matter.
